# TUCK'S POST CARD.

CARTE POSTALE.

POSTKARTE.

(For Address Only)

**Bombay (City) from Watson's Hotel.** The view from Watson's Hotel shows, without doubt, that one is looking on a prosperous city. The houses are large, handsome, and well built, the gardens well laid out and cared for, while the streets are clean and orderly. This locality is a favourite spot of the European inhabitants, of which there are about 13,000 British born.

"WIDE WIDE WORLD" "QUEETE" [Regd.] Postcard 7022.
